

Stannington Storybook

To celebrate ten years of **Stannington Library** being run by volunteers, Chol Theatre are creating Stannington's very own **children's story book**, written by the local children and their families. But we need **YOUR** help!

We need to know everything about Stannington's **enchanted woods**. If you have been there in real life or in your imagination we would like to know what you saw. When you have finished please drop this worksheet back into the library and your ideas might make it into our story book!

To be included in the storybook please fill in your details
